

Jonathan Grupper

MOTION DESIGNER | LECTURER

I'm an animator, editor, and lecturer.

In short, a storyteller.

More than an animator, I get involved early in the creative process: delving in at the concept or script-writing stage, storyboarding, through orchestrating the emotional rhythm of a video to finally the finishing production touch.

I have 14 years of experience, I work on all Adobe apps + a little bit on C4D.

I'm always eager to learn more,

I'm a team player, and easy to work with :)

Animation Experience

- HEAD OF THE ANIMATION & POST PRODUCTION DEPT. AT **TROSS CREATIVE**, TEL AVIV

As head of the department, I managed dozens of animators and video editors through the years.

I ensured those working in my department were successful, helping them deliver their best work successfully and on time.

Over the 11 years managing that department, I created hundreds of crowdfunding videos that raised tens of millions of dollars, and animated brand videos from script to storyboard to direction to production.

Our crowdfunding campaign videos won 4 Best Technology awards from Indiegogo.
